This book is sure to help you deliver powerful and memorable presentations that leave a lasting impact. Minghai Zheng is the founder of ZhengPublishing.com and lives in Wuhan, China. His main publishing areas are business management, self-help, computers, and other emerging foreword fields.

This book examines student presentations as a genre of English for academic purposes (EAP) and analyses the elements of speech and audience accommodation which make a successful presentation offering an antidote to the audience centric approach to presentation design and delivery promoted by numerous books and manuals on the subject. Each chapter tackles an under-researched aspect of student presentations and presents data based evidence for practical recommendations within the genre. The language analyses presented in the book are based on a real life corpus of student presentations providing clear examples of successful oral academic discourse. This book will be of interest to students of applied linguistics, EAP, TESOL and language education.

Creating effective presentations: Staff development with impact presents a comprehensive approach to creating compelling interactive staff development sessions. The book is highly practical, summing up important research in the field of visual communication, graphic design and presentation skills as they apply specifically to those who teach and coach their fellow educators in short conversational chapters that

include real life examples peery gives quick lessons on planning each aspect of a resonant presentation this book is filled with basic tips about making powerpoint software work better for you and delivering a successful presentation if you do more than a few presentations a year for other adults who are involved in education and you want your ideas to stick like never before then this book is a must read
